Goal/Federal Requirement/Key Finding	Original Application	Revision	Justification
<i>Ex: Increase Learning Time</i>	<i>Ex: The school budgeted \$50,000 for the before and after school program mandatory for all students.</i>	<i>Ex: The school did not budget enough funds for the before and after school program for all students to attend. The school needs to add \$50,000 to fulfill all staff salaries.</i>	<i>Ex: In order for all students to attend the before and after school program for the 200 student days, the school will need to move funds from technology and supplies over to instruction to fulfill all staff salaries.</i>
<i>Create Community Oriented Schools</i>	We budgeted and planned for a parent outreach coordinator this year.	Due to Covid-19, we are unable to have a parent outreach coordinator this year. We will move funds for this position s(\$12,500 stipend/\$1,000 benefits) into a reading interventionist position.	We have discovered a huge gap in our students' ability to read at primary. We lost effective, face-to-face instruction that was necessary for our students' success. We will invest in reading interventionist position with SIG funding through September 30, 2021.
<i>Increase Learning Time</i>	We budgeted for after school and summer school extended time for students.	Due to Covid-19, we were unable to hold after school or summer school. This year has been restricted and we anticipate not offering anything additional in summer 2021.	We have discovered a huge gap in our students' ability to read at primary. We lost effective, face-to-face instruction that was necessary for our students' success. We will invest in reading interventionist position with SIG funding through September 30, 2021.
<i>Implement Comprehensive Instructional Reform Strategies</i>	We did not budget for a reading interventionist.	Additional carryover funds from SY 19-20 will be used to support a reading interventionist position for the remainder of the grant period.	We have discovered a huge gap in our students' ability to read at primary. We lost effective, face-to-face instruction that was necessary for our students' success. We will invest in reading interventionist position with SIG funding through September 30, 2021.
